Visvim for superb "ism" and "Deconstruction and reorganization style", I suddenly thought of one thing: according to the mastermind in the village century said, was to take the brand name, the V prefix part search Latin Dictionary, first saw Vis, followed by the next is Vim, then the two Latin roots together to become today's Visvim.

this seemingly unintentional combination, which does not seem to have a particular meaning of the name, in fact confirms the Visvim has been the style of tactics. In recent years, under the influence of "mature wind" and the birth of the Visvim classic Hockney, this is an example of this success strategy.
