Nike Air Max 1 is a brand of Changqing products, its appearance is still enduring will continue to release new color and shape. But this time the introduction of the new color with a strong taste of industry, called "Metallic Pewter" series of classic Air Max I with different materials to create with rust colored, low-key and would not like to like dull black. This color has been made for Nike Air Foamposite One as early as 2010. Now, in addition to Air Max 1, women's Huarache will also introduce the same color system.
